## ARE YOU A SEX ADDICT?

*“Before coming to Sex Addicts Anonymous, many of us never knew that our problem had a name. All we knew was that we couldn’t control our sexual behaviour. For us, sex was a consuming way of life. Although the details of our stories were different, our problem was the same. We were addicted to sexual behaviours that we returned to over and over, despite the consequences.”*

- SEX ADDICTS ANONYMOUS, P. 3

Although sex addicts may act out sexually in many different ways, there are common elements that seem to characterize our addiction:

- Powerlessness over addictive sexual behaviour.
- Resulting unmanageability of his/her life.
- Feelings of shame, pain, and self-loathing.
- Failed promises and attempts to stop acting out.
- Preoccupation with sex leading to ritual.
- Progressive worsening of negative consequences.

“Attending SAA meetings starts us on a new way of life. But while the SAA fellowship supports our recovery, the actual work of recovery is described in the Twelve Steps. Meetings are forums for learning how to integrate the steps into our lives. Working the Twelve Steps leads to a spiritual transformation that results in sustainable relief from our addiction.”

- SEX ADDICTS ANONYMOUS, P. 20

## Greater Vancouver Sex Addicts Anonymous SAA Group Meetings Schedule

The Greater Vancouver Sex Addicts Anonymous® (SAA) Intergroup is an autonomous fellowship, registered with the International Service Organization of SAA, and composed of like registered groups of recovering sex addicts in the greater Vancouver area, who follow the Twelve Steps and Twelve Traditions of SAA.

SAA is a fellowship of men and women who share their experience, strength, and hope with each other, that they may solve their common problem and help others to recover from their sexual addiction. The only requirement for membership is the desire to stop addictive sexual behavior. If you are new to Twelve Step recovery and/or to SAA, we encourage you to attend one of our meetings.
